Hello.
Are you busy?
Well if it isn't Hakuba-senpai! Good day to you!
Geh...
How can we be of service to you today?

Oh yeah, I kind of have a problem...
And so, I thought that maybe I could cash in that favor from before.
I see...
Well then, what is your request?
Right... Um, about that...
I'd like to borrow Ookami-kun.

Otogi High School Boxing Club
...Huh?
OOOOHH!
おおお

Whoa! Just who IS that girl?
I think I heard the chief call her "Ookami-kun" or something...
Ookami-kun... The same one from Otogi Bank?
A few hours earlier
Um. .
Just what do you mean by "borrow" her . ?
What in the world. ?
NNNNO YOU CAN NOT!!
OUT OF THE QUES-TION!
BYAA!!
...Why me?
Calm down, Morino-kun!
YOU WERE DO NO SUCH THING!
Well, the truth of the matter is... I wanted to ask you out on a date, but now...

I thought I'd go ahead and get you, Ookami-kun!
I had planned on sparring with someone from outside of the club, but something came up and he had to cancel on me...
And since the current club members don't make very good practice...
You sound as if you're trying to BUY our Ryouko-chan...
You're always scouting her out at the gym...
Anyway, is this OK with you, Ryouko-chan?
Um...
Huh!? ARE YOU SERIOUS?!
Not much choice, right?
Ramble

POW
A loan is a loan.
Thanks for staying so late.
Pant
Pant
Ha Ha Ha
はは
But MAN can you BOX!
That last punch was pretty powerful!
LIAR YOU WERE DEFINITELY GOING EASY ON ME
I'm glad I came to you.
You really helped me out.
...Don't worry about it.
I'm only returning a favor.

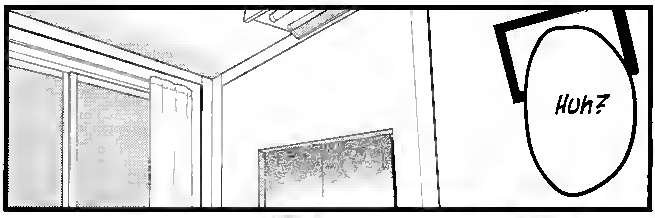
Haaahh... Maybe I should stop being so indirect...
?
Ruffle
.....
Can't... Thanks for the offer, though.
So... Since I've kept you here so late, how about I buy you dinner?
Ookami-kun...
I like you. Will you go out with me?
Step
All of this was just an excuse to spend some time with you...
Step
So now I'll just man up and ask you...

I believe it was here at this gym where I had first become interested in you...
And during the match we just had...
My heart was stolen away by your uncompromising strength...
The real reason why I had asked you to spar with me...
It wasn't just because I needed your strength, but also because I wanted to spend time with you.
Sorry...

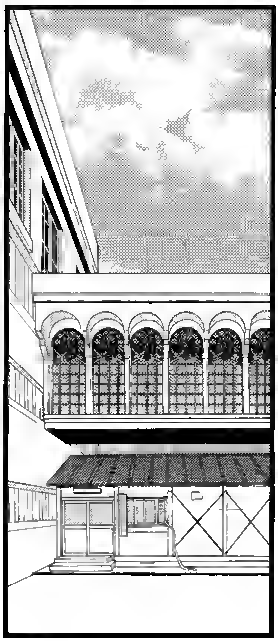
Haaahh...
I guess I should have known... Oh well, too bad...
Right now...
I have no interest in dating anyone.
I'm very sorry...
No, no... It was I who asked you, and... You just spared my feelings, so please don't worry.
Then... I'm going now...
Oh, alright. Be careful and have a nice night.
Okay.

Maybe I just didn't put enough effort into it...? Life really doesn't go the way you want it to...
Clench
Haha...
BAM

Really, REALLY...
Doesn't go the way you want... Not at all...



Huh?



Hey Ryoushi, where's Ringo?
Um, I think Majo-senpai needed her for something.

SLIDE
UM...
...What, is she making something new AGAIN?
Excuse me...
Is Ookami Ryouko-san here?
I heard Ookami-san was the one to go to for fighting tips...
Yeah, that's me... What, do you have a request or something?
Ah... Yes... UM...
.....

So...
I used to date this one guy, but... He was too violent, so I broke up with him...
But now he's always following me around, trying to get us back together...
He said, "If you just meet me one more time, I'll promise to leave you alone".
And this is the place he called me out to...
Hmm... This is way too suspicious...

A park in the outskirts of town, with no other people nearby... That doesn't sound very good...
I know, right?
.....
I'm scared that he might try to force us back together if I went there alone, so...
WHAT'S GOING ON..?
IS THIS GIRL AFRAID OF ME OR SOMETHING?

What should we do?
Hmm... Maybe we should go and see what this ex-boyfriend's true intentions really are?
P-Please! I promise I will pay you back right away, so...
BOW
Ahh... We should give Ringo a call...
Beep Beep
Brrrring
Click
Um... Ringo?
Yes, hello?
Huh? Wait, I'll be there in just a second!
A request just came in, so Ryoushi and I are gonna go and take care of it.
Oh, you don't have to come... It shouldn't take too long, by the looks of it.

Roger that.
Oh, okay... If you say so. But if anything happens, please contact me.
Also, do try not to go overboard with anything...
Th... Thank you...
Okay, then we'll contact you once we're done.
Alright... What are you gonna' do?
Oh, uh... If possible, I'd rather not see him...
パチン! Clap
Let's go, Ryoushi!
Yes!

Hmm...
According to the memo. It should be around here somewhere...
There's no one around though...
Wait...
RUSSTLE
ガサッ

That doesn't appear to be the case...

These guys...
They're Onigashima High School students

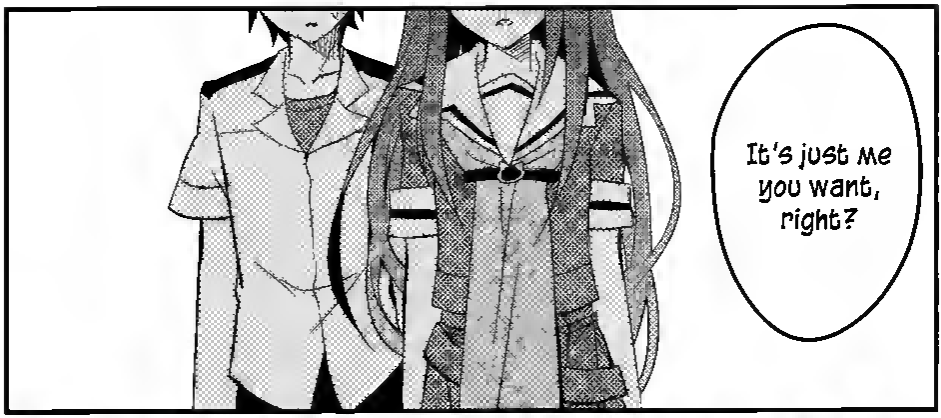
Yo, you Ookami?
...Would you mind coming with us for a sec?

Ryouko-san...



It's just me you want, right?

Our boss says he'd like to meet you.
That's right.

But, Ryouko-san...
D...
Just get out of here!
You'll just get in my way.
In that case, Ryoushi, I want you to head back...
You wouldn't be of any use here anyway.

But...
DON'T...
Shocked
.....
I THOUGHT I TOLD YOU TO HEAD BACK!!!
IF YOU STAY, YOU'LL JUST BECOME A SHIELD!!
I... under-stand...
WOOOOSH

DON'T LEAVE ME!
"DON'T LEAVE ME", HUH...?

THAT'S WHEN I REALIZED...
THAT WHEN I THOUGHT I HAD GOTTEN STRONGER, I WAS ONLY LYING TO MYSELF...
I ALSO REALIZED...
I WAS LYING WHEN I THOUGHT I WOULD BE OKAY BY MYSELF...
AND THEN I NOTICED...
I'VE BEEN IGNORING THESE REALIZATIONS; CONTINUING ON AS IF NOTHING WAS WRONG...

EVEN NOW, NO ONE COULD TELL BY LOOKING AT ME, THAT I WAS AFRAID...
EVERYONE VIEWS THE LIES I'VE CREATED AS THE TRUE ME...
THAT'S FINE... LET'S JUST KEEP THE LIE GOING...
JUST KEEP ON LYING AS IF I DIDN'T NOTICE...
KEEP ON LYING 'TIL THE VERY END... AS THE "STRONG" ME.
Haha...

I'VE BEEN ABLE TO KEEP IT HIDDEN UP 'TIL NOW, SO I SHOULD BE ABLE TO KEEP DOING SO.
IT ISN'T A LIE IF NO ONE KNOWS ABOUT IT.
CLICK
Haha! Hey! Her boyfriend actually left her!
That idiot would never have been of any help.
SNICKER

*TL/N "Ookami" can also refer to a god, a wolf, or a wolf god

THIS PLACE...
.....
AN ABANDONED FACTORY?

You fought pretty well back there.
Yo! You awake?
Oh yeah, good idea.
But we can just say that the wounds on her *body* were from earlier.
Yeah... It's just a habit.
Duh
WHAT WAS THAT?!
Dude, stop. Or else "he" will get mad.
For now, nothing in the face.
!?!

SKIDDING
KAHH
Heh, this is us going easy.
IT HURTS...
SO SCARED...
But man she sure is hot From just looking at her face I can tell she's got a nice body
Yeah, too bad... If we do anything "he" will get pissed
Oh, come on... A little bit won't hurt, right?
I'M SO SCARED...
SO SCARED, SO SCARED, SO SCARED, SO SCARED!
Hey, man... Don't do it
SOMEONE... SAVE ME!!

It's coming from her.

Hello?
Don't know. Some dude.
So? Who's calling?
It's fine, so long as it's not her face, right?
Dude! "He" told us not to bruise her!
Is Ryouko okay?
RYOUSHI?
Yes.
Huh? Who the hell are you? You the dude from earlier?

IF I CHOOSE TO BELIEVE IN HOPE, AND IT HAPPENS TO TURN INTO DESPAIR...
Your attitude is completely different from before, too...
DON'T RELY ON ME, DON'T CLING ONTO ME, DON'T PURSUE ME
Hey, why are you lowering your voice?
WHAT AM I THINKING...? IT MAKES NO DIFFERENCE
And yeah, for the time being, she's alright.
But she'll be a little worse for wear by the time we're done with her, if you know what I mean.
I WON'T BE ABLE TO KEEP THE LIE HIDDEN ANY LONGER...
Wince
It's not a problem, so long as she's unharmed. Because...
I've got every last one of you in my line of sight.

Woosh
Woosh
Huh? What the hell are you talking abou-
OW!

But still... What's going on, Ringo? How are you here?
How did you know where I was?

She was taken...

THEN WHAT THE HECK ARE YOU DOING HERE?!
DID YOU ABANDON RYOUKO-CHAN AND RUN AWAY BY YOUR-SELF?!
YOU'RE HORRIBLE!!
I won't lie and say that I didn't run away, but...
I did NOT abandon her!
I couldn't even be her sword OR her shield...
No matter how hard I try, I can't become her knight in shining armor, but...

But...
There is still one thing the pathetic me can do...
And if I can't be her protecting knight...
I will be her saving HUNTER.

NO SOUND...
.....
What is that?
It's a dog whistle.

A dog whistle?
Tiny feet running
Good boy.

Kakuba-senpai?

Man, that sure was something, huh?
Slide
Slide
Why are you here, Senpai?
Earlier today, a girl with bobbed hair showed up at your place, right? Well, that girl is the manager of the club I run.
It seems as though she knew about Ookami-kun rejecting me.
Turns out that she's got a crush on me, and couldn't forgive Ookami-kun.
Sorry for getting all of you involved.
.....
Then...
What's the connection between her and the guys over there?
Not even I know that...

Shall I tell you then?
.....
Tell me what, I wonder?
Don't bother trying to hide it any longer.
I've already figured it all out...
About how you're connected with the students of Onigashima, and the way in which you used your manager girlfriend.
Well, well, well...
I did NOT think I'd be found out this soon.
I was planning on getting Ookami-kun to fall in love with me after I searched the ends of the Earth to gallantly save her from those punks.
Such a cliche plan never would have worked...
Well, I thought of that, too.

No... I believed it would work, but...
It seems that I should've taken you guys more seriously.
Why me, of all people?
To be frank, you are the perfect raw material.
Your looks have high potential, and your heart is very strong.
Hmm... Well...
If I could mold your confidence into something of my own,
wouldn't you become something truly superb?
I'm the only person in the world that can turn you into something more...
So he's that kind of guy Desuno

Objectively speaking, I guess you'd think that I've been blessed with great looks, lineage and of course, talent, right?
And while that may be true, I at least know that this world will not and cannot bow to my every whim...
You know... despite what you may think, I'm a very hard worker.
But I hate that part of life, so I work hard to make the world work for me.
That's how I have been able to exist up till now...
And what about these guys? Are they the fruits of your labor as well?
You make me wanna puke!

Oh, I just LOVE that rebellious attitude of yours!
And when something that doesn't normally go the way you want, finally does so,
there isn't anything more satisfying.
So you're saying that you'd like to turn me into something you want, despite my wishes?
In a nut shell... yes.
Those bunch of guys there was the result of a lot of hard work and connections I forged.
Personal connections are also a means of power. If you don't have forces both above AND below the line, then you can't control the world.

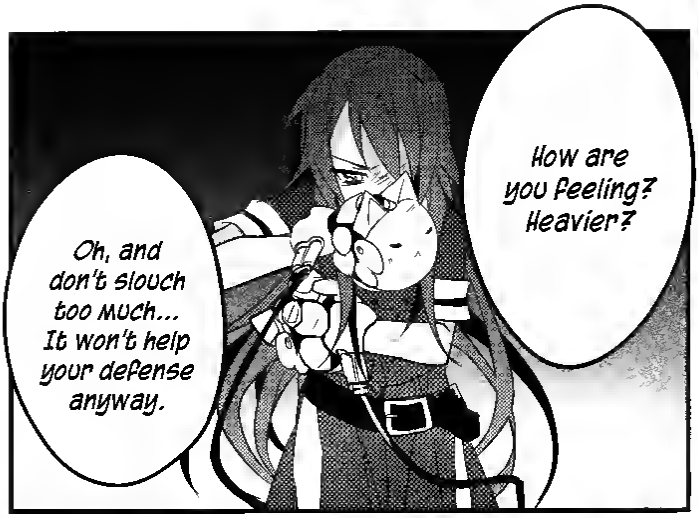
Denied.
You intend to force me into doing as you say because your plan failed?
Now then...
can I ask you to quit stalling?
Haha, that's right. I get furious when things don't go my way.
Are you sure you can?
After sparring with me, you should know just how strong I am, right?
If it's just me...
RYOUSHI!!
Stay back, Ringo,
I'm gonna knock this guy on his ass!

WHOOSH
WHIP
Oops.
Wha-!?
SWING
I won't let you.

You won't hit me.
SKID
KA HAH !!!
RYOUKO-CHAN!!
POW

*TL/N Hakuba is referring to a wolfgod found in Japanese folklore, otherwise known as, "Ookami"

SHUT UP!!
WHOOSH
SHIFT
Cut open its stomach and shove a stone in.
POW
GUHH!
With the added weight, drop the beast down a well, and SPLASH!



How are you feeling? Heavier?
Oh, and don't slouch too much... It won't help your defense anyway.

Drip
Drip

If you were to go pro, you'd stand a much higher chance at losing.
The opponents are stronger, and you wouldn't be able to handle it.
That's why you show off like you're king of the castle whenever you stand a chance at being the winner.

You're an amateur.
I get it, why you won't go pro.

Hm?

You're right.
You get invited to go pro, but you know things can tend to go even more against your will if you do, so you have no real motivation to aim for the top.
Although, for your means and goals to not match up... it's not necessarily a bad thing.
You're so damn annoying!
I'M GONNA SMASH YOUR FACE IN!!
By all means, please do, if you can. The stronger you are, the more fun things will get later on...
UNFORGIVABLE!! I WANT TO PUNCH HIS FACE IN SO BAD!
JUST ONE! JUST ONE PUNCH WILL BE ENOUGH!
Oh, I'm just so excited
RYOUKO!!

THAT'S RIGHT... I CAN'T REARRANGE HIS STUPID FACE ALL BY MYSELF...
BUT I'M NOT ALONE.
LET'S GO!! RYOUSHI!!!
CLANK

WHOOSH
It's no use.
WHOOSH

WHAM
CLANG
ZAP
ZAP
How did she curve the punch!?

THUD
Are you alright, Ryouko-chan?
Uh... Yeah.
Th-Thank goodness!!
WAAAAH

Ryouko-san! Are you alright?!
Mm... Yeah, I am.
I'm...
I'm so sorry!
No...
Of course.
That's obvious because...
It was all thanks to you being able to find me.
I never took my eyes off of you, Ryouko-san.

Ryouko-chan, you're loved by EVERYONE, isn't that right?
Grr...
Oh? What's this?
Heh...
You really should have saved your best move for last.
GETS UP
Don't move...
My body is all numb, and I'm a bit dizzy, but I can still beat you guys.

Man, I'm so happy!
You're HAPPY?!
The more you suffer and the harder you work, the happier you are when your wishes are granted, right?
Strong women are truly amazing. You are definitely worthy of your uniform.
Shu-
SHUT THE FUCK UP!!
Glare
Hm? What's this?
Don't get in my way. Just sit still and be quiet.

Are you...
Fucking KIDDING me?
Ryouko-san...
isn't strong!
She LIVES to be strong!

Desperately working hard!
Never accepting anybody's help!
All by herself!

When I first saw her...
Grip
I felt a little uncertain when seeing her outer appearance and what lay underneath it all,
but the more I got to know her, the better I understood!
Ryouko-san...
is nothing more than an adorable girl!

Yet she lies to us all, hiding her true self away...
If she doesn't, she can't get any stronger.

She likes cute things, is easily embarrassed, and can be very disobediant...
Just your ordinary, everyday, adorable girl.

I am no knight.
I can't even be her sword or her shield...

What are you saying?
Are you supposed to be her knight in shining armor?

POW
there's still one thing I can do!
But...
WHAM
Grit
Catch
THEN WHAT THE HELL ARE YOU?! HUH?!

?!
I... will... protect...
Ryouko-san's own way of living!
I AM RYOUKO-SAN'S...
GRR... LET GO!
HUNTER!!!
CRACK!

GUH!
The only one who gets to bring her down...
IS ME!!
Also...

THUD
Kya! MORINO-KUN!?
...
Hey... Wake up.
HM?
You okay, Ryoushi?
Blush
Ah.
Um.
Uh.
NOOOOOO!!!!
DON'T LOOK AT ME!! DON'T LOOK AT ME!! PLEASE!!!
Aww, too bad... Looks like he went back to his normal Morino-kun self...

Sheesh! I only looked because I was worried about you...
What a really great atmoshphere this is right now...
Shicker
WHAT DO YOU MEAN BY THAT?! BESIDES! I DON'T EVEN LIKE THAT USELESS IDIOT!!
Then there's no problem, is there?
Morino-kun was SO MANLY AND COOL BACK THERE, HUH?!
Uh...
That's...
And I think it's only a matter of time before you meet an all-round manly Morino-kun...
Why do you think that?
There's no such thing as a hunter who's afraid of his own trophy, right?
BUT RIGHT NOW, HE'S JUST A GOOD-FOR-NOTHING!!
Please...
Don't look at me...
Shiver
Shudder

Hey! Ryoushi!
Um...
Y-Yes?
Th...Thank you...
Huh?
What did you say? I couldn't hear you.
BONK
GRR!! NOTHING!! YOU IDIOT!!
Ow! OWW!!

We didn't get any screen time, huh...?
Indeed...

Anyway, it appears I was right to trust in said rumor.
Pleased to meet you. My name is Urashima Tarou, and I must say; you are one cute little lady...
If you would, please regale me with your phone number, address, three sizes, type of guy an-
TOUCH

What the hell is with this idiot?
He even tried hittin' on me in front of the school earlier...
My, my. If someone hit on Ryouko-chan, that means you're gaining popularity.
C-C-Court-ship?
He's just shame-less...
So? Why do you think he's here? If he's here to hit on me again, I'm kicking him out right now.
SHOOP
Ah! My apologies! You were just so cute, I couldn't help myself!
Well... he sure is persis-tent.
BOW

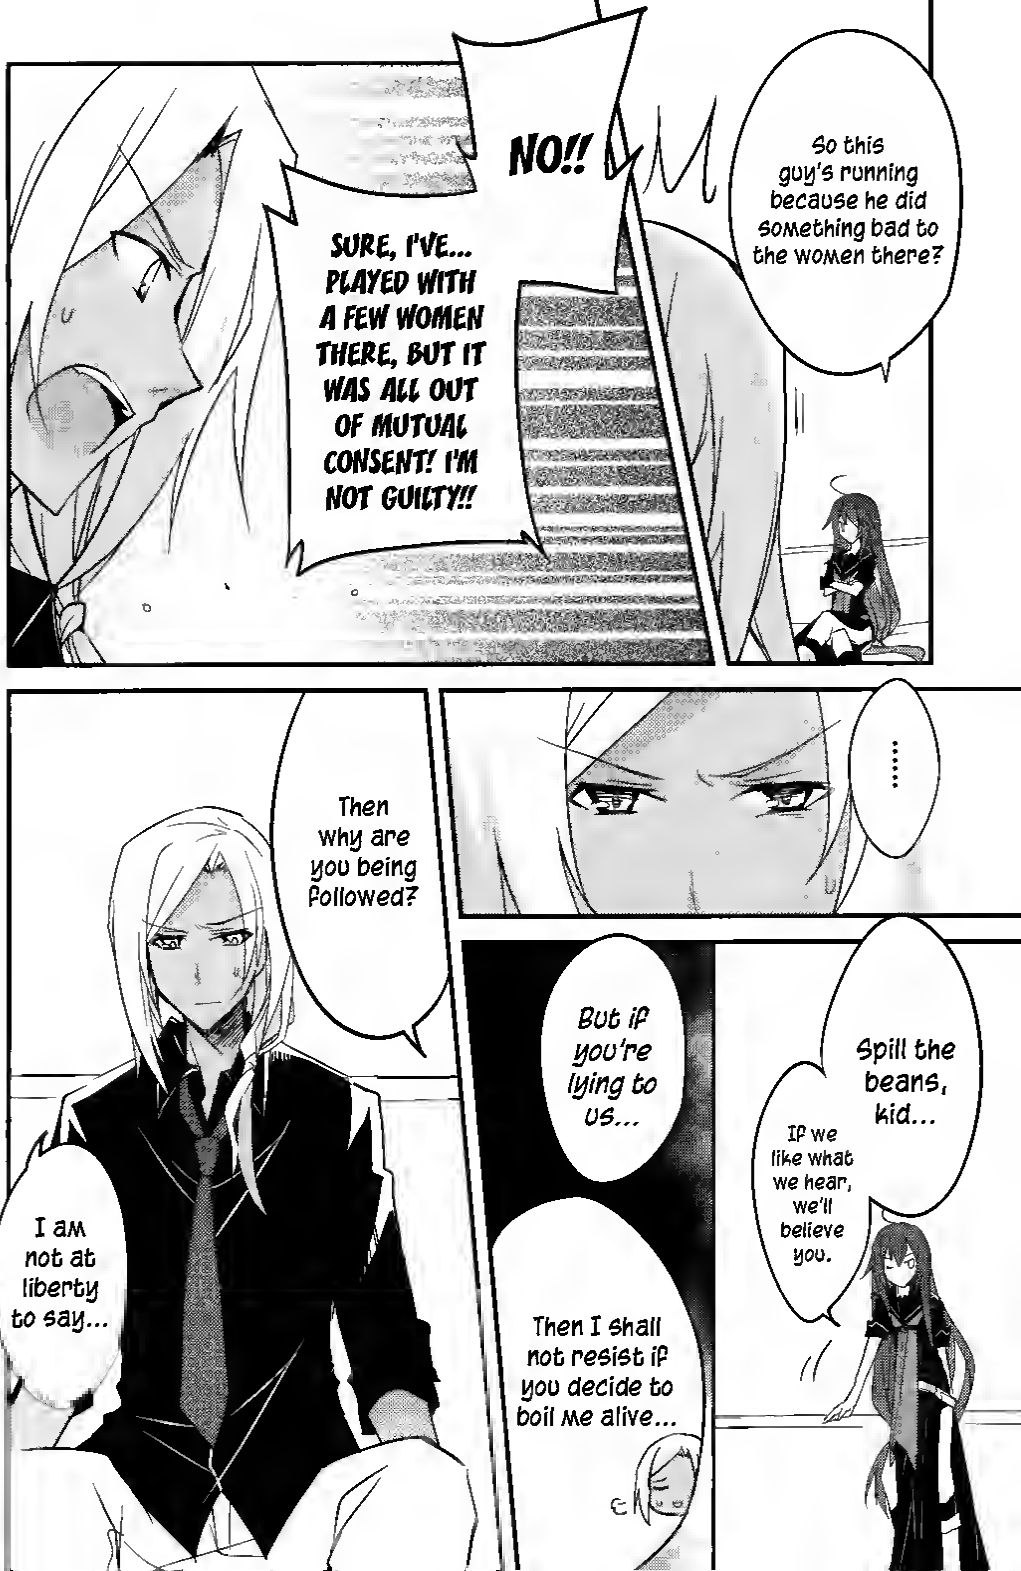
...I saved you?
Flatter
Thank you for saving me back there.
And you must be the beautiful lady I met earlier today...
Oh, I haven't introduced myself yet...
My name is Akai Ringo.
The cutie to my right is Ookami Ryouko-chan,
and the one having a panic attack in the corner is Morino Ryoushi-kun.
Such wonderful names!
Ringo-san, Ryouko-san!
I guess I don't exist...

So, about my request...
I am being persued by a certain society.
I've been running all over Japan, but I screwed up and they found me...
I was doing well, up until I reached this school.
What do you mean?
?
I see... You've gotten accustomed to being on the move.
Yes.
I mean that, technically, this school is quite difficult for any average person to sneak into.
The school is so enormous, that the students are made to wear uniforms in order to prevent intruders.
But you, Urashima-san, have entered our school by wearing our uniform.

So what is this, "society"?
So you're saying the guys that are after you are people not wearing our uniform?
You say you're being followed... Surely there's something more to that?
That is correct.
The Ryuuguu Group.
Business?
Business.
.....

The hell is that?
The Ryuuguu Group runs love hotels, produces adult videos, and sells adult toys.
They have their hand in almost everything 18+.
Heroes of the sex industry?
There's actually a love hotel in our town called The Ryuuguu Castle.
Oh, that...
Well I'm sure Morino-kun would know what we're talking about, if I refer to them as "Ryuuguu Soft".
He's at that age, so he probably has one or two...
I-I-I-I-I HAVE NO IDEA WHAT YOU'RE TALKING ABOUT! I HAVE NONE OF THOSE!!
About that...
So why is this guy being followed by them?

Ryuuguu puts a lot of money into improving the working conditions for women...
They protect women, and so, a majority of women seem to put their trust in them.
But in reality...
They have their forces of scary men in black suits "talk" with certain individuals that are deemed hazardous to women...
For example: a customer that mistreats a woman...
Shuffle
ざわ...
ざわ...
Shuffle
They even go as far as inviting non-paying customers into a "nice little place" underground, away from any witnesses.
Ryuuguu has created some sort of secret police force.
※ Just a dramatization



So this guy's running because he did something bad to the women there?
NO!!
SURE, I'VE... PLAYED WITH A FEW WOMEN THERE, BUT IT WAS ALL OUT OF MUTUAL CONSENT! I'M NOT GUILTY!!
.....
Then why are you being followed?
I am not at liberty to say...
But if you're lying to us...
Then I shall not resist if you decide to boil me alive...
Spill the beans, kid...
If we like what we hear, we'll believe you.

Understood...
What do you want from us, Urashima-san?
All I can say, is that if I'm captured, my life will be at risk...
That sure does sound dangerous.
I want you to help me escape this city.
Ryuuguu's goons are fairly resourceful.
Once they spot you, there's no escape...
So for now, I just need to get out of this town.

Roger that.
By the way, we don't work for free,
and we don't accept money.
So what do you-
WAIT, YOU DON'T MEAN MY BODY, DO YOU?!
SLAP
TREMBLE
Calm down, idiot.
Although, to be honest, we've never accepted a request from someone not of this school, so...
This is a special case.
Well, let's just say that you "borrow" our help, and you will need to "return it" at a later date.
We will "collect" on the loan at our own convenience...
But we usually ask for a similar favor in return, so don't worry.
Special case you say? So that means you and I share a "special" connectio-

Anyway, Ringo...
Why did you agree to his request?
He really never learns his lesson, does he?
Good fuckin' grief.
Hmm...
Let's just say I have a feeling...
He seems different...
He gives off a different aura from how he acts... He may be of some use after all.

Hmm... Urashima-san, this loan seems rather large.
You do understand, don't you?
Urashima-san; the man who pretended to fall over, just to peek up my skirt?
What? How did you kno-

Is this man a big shot, or just a complete idiot? Even I can't tell...
Ah... There's this one girl I used to flirt with...
She was a pretty nice girl, too...
Does anyone else know about your situation?

So, what do we do about him?
Indeed... Did anyone see you enter the school?
Most likely... That's why I don't want to leave.
This guy is way too useless.
Haha
Hmm...
Then we should try leaving the school first.
But for you to remain in this school any longer would also be bad...
Huh? Wouldn't that be BAD for me...?
Yes, that's true...

First, Urashima-san leaves the school...
Then the goons will undoubtedly follow...
Who will then end up scattered out in the city.
Which is why we must first make the goons believe that you've left the school.
I see...
From there, we can find a chance for him to escape.
Correct!
And if they don't find him for a few days, they will likely assume he's left the city entirely.
But still... Can I truly lose them after they've already caught sight of me?
This school's outskirts are our home. We know the area better than the backs of our hands.

However, we will require that you run as fast as you can, Urashima-san.
Of course...
Although, it seems my chances of survival will increase the longer I stay here.
But where are we going to hide him, even if he does manage to escape?
Grin
Ufufu... We're going to hide him...
Right here!

This is the escape route.
One of us will be waiting for you there to hide you in a different spot.
After that, we'll bring you back here where you'll stay hidden for a few days.
THERE'S NO TURNING BACK NOW!!

2 days later
Man...
It really looks like they don't know that Urashima-san is here at all.
Returning to the spot you fled from is pretty unexpected.
Let's just say we created a blind spot for them.

Well, let's just wait a little while longer and see what happens before we spring him out of here...
There seems to be a few guys left.
Now that you mention it...
I forgot to tell you this, but those guys that were chasing Urashima...
They were shouting some stuff about "Ojou-sama" getting mad if he didn't come back, or something like that.
Maybe he tried flirting with some prestigious woman at Ryuuguu?
Hm... Well there's no way a girl would like THAT guy.

It is a pleasure to make your acquaintance.
My name is Ryuuguu Otohime.

So... What do ya want?
Let me look something up while the two of you keep her company.
Got it.
I know. For her to have THAT name of all names...
Ringo?
WHISPER
WHISPER

I am currently searching for a man by the name of Urashima Tarou.
I was told he had come here...
Ah, him. Yeah, he was here...
We kicked him out because we just don't accept requests from outsiders.
Oh... I see...
About to cry
Guh
TH-THUMP

WE'LL TAKE ANY RE-QUEST YOU ASK FOR!!!
YOU'RE SO DARN CUTE~!!
AHEM! Anyway... Ryuuguu-san, I have some questions I'd like to ask you.
Yes, please go ahead.

SO YOU DO KNOW WHERE HE IS!! WOULD YOU PLEASE TELL ME?!
We will not. As Ryouko-chan said earlier, we don't accept requests from outsiders.
!
Why are you, a member of the Ryuuguu Group, following after that man?
I see... Okay.
However, depending on your reasons, we may be able to offer some help.

Very well, next question...
What is your relationship with Urashima Tarou?
We are lovers.
WHISPER
What do you think? Is she for real, or just looking for trouble?
She looks unbelievably sincere about it, but... She may be nothing more than a stalker...
WHISPER

A stalker, huh...? Then if we ask her something about Urashima's past, we can tell whether or not she's lying.
But couldn't she just make up some lie that we wouldn't be able to confirm or deny...?
That's true... Maybe I should just force her to spill the beans...
Um, would it be alright if I were to inquire about the beginnings of your relationship with him...?
Yes, quite alright.
It is because of Tarou-sama's very existence that I am able to exist as well...
Long ago, I was nothing more than an indecisive, stupid little turtle...
I was fat, boring, always made mistakes and was teased by others — constantly...

Huh?
Eh?
Where's everyone else?
Th...
...They went home.
They just dumped all the cleaning duties onto you?
.....
Hmm...

Good grief, kids these days...
But...
I'm always working super slow... I only cause trouble for everyone else...
Little girls are supposed to be adored and loved, not bullied.
That doesn't matter.
Bu... but...
No buts.
So... sorry...
Those kids that left you behind to finish their work are in the wrong.
What on Earth are you apologizing for, Otohime-chan?

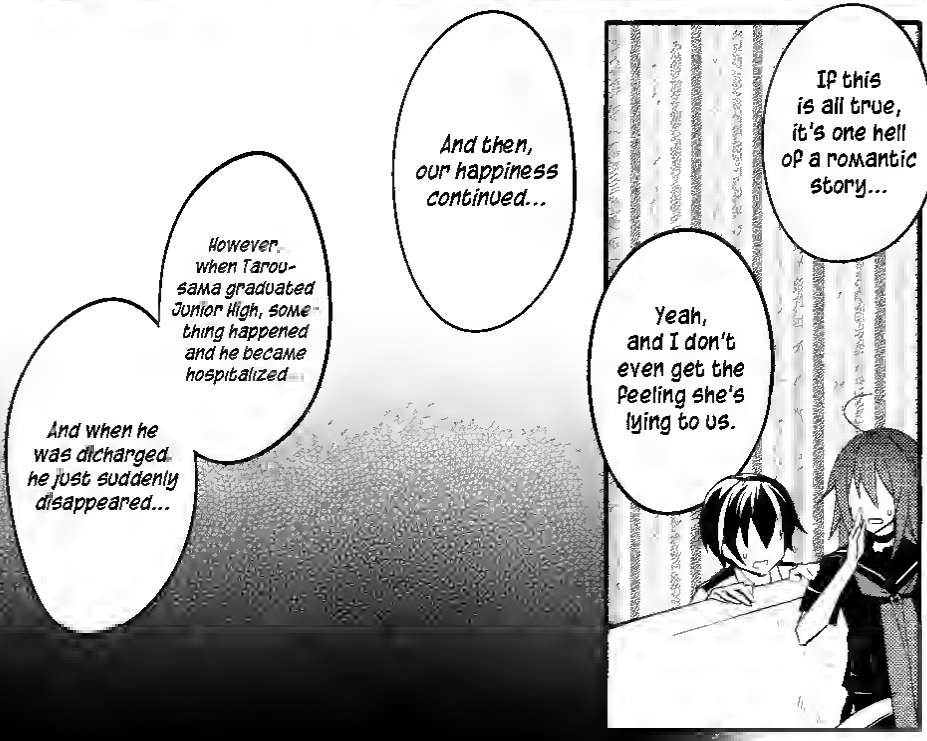
I'm in your class, of course!
Epic ice breaker!
I keep on forgetting the boys' names, but I remember ALL the girls' names!
Hm? What's wrong?
How...do you know my name...?
Everyone just calls me *kameko...
*TL/N: Japanese for "Baby Turtle"
Hmmmm...
shock
I'm just nice to the ladies.
Tarou-kun... You're a nice person.
I know I'm not a cute girl or anything...
But you don't have to waste your time with the likes of me...

Well, I'd be lying if I said you weren't a little chubby...
But you have long arms and legs; your face, teeth, nose and the like aren't bad at all...
And your eyes are especially exquisite.
You're still pretty cute as you are now, but if you lost some weight, you'd be insanely cute!
Grin
Yup, I guarantee you would!
Really...? You mean it?

I really am only nice to girls.
So I'm not lying to you.
And I'm even nicer to cute girls.
Do you mean that too?
Yeah.
If I found myself a truly super cute girl, I would love and cherish her until the day I die. I'd embrace her and never let her go.
Ever since those words pierced my heart, I've been working hard every day...
I started paying more attention to my body.

I also had to be beautiful on the inside as well as the out, so I always helped others and never said anything bad to anyone.
I had to be able to like myself.
WHISPER
I was always slouching my neck like a turtle, so I straightened out my posture.
Then I gained some fashion sense. I worked towards always holding onto a beautiful smile.
WHISPER
Holy shit, she's a freakin' SAINT!
She's beautiful, wholehearted, has nice style... She's PERFECT... Why the hell is that womanizing bastard running away from this girl?
He should be bending over backwards for her!
Yeah, but remember, he *did* cheat on her...
WHISPER

When he accepted My feelings of love... No words can ever describe how truly happy I felt...
That all happened during Junior High School.
Then... just as I stopped being embarrassed around other people...
...I confessed My love to Tarou-sama.



If this is all true, it's one hell of a romantic story...
Yeah, and I don't even get the feeling she's lying to us.
And then, our happiness continued...
However, when Tarou-sama graduated Junior High, something happened and he became hospitalized...
And when he was discharged he just suddenly disappeared...

I HAVE LOOKED ALL OVER JAPAN, SCOURED THE EARTH, CHECKED UNDER EVERY ROCK AND TURNED OVER EVERY LEAF!!
I bet Urashima got some kind of incurable disease and decided to leave in order to spare her feelings...
Ooh... Plot twist.
Quiet down
That sounds way more likely...
Him? More like some kind of STD.
I do not know why Tarou-sama runs from me...
Every time I find a trace of him, I end up losing it once more...
What I do know is that I NEED Tarou-sama...
There's no way you could have kept missing him so many times.

THAT IS WHY I MUST FIND OUT HIS REASON FOR LEAVING ME!!
IF HE IS IN TROUBLE, I MUST HELP HIM!!
Beep
Ring
Ring
Yes, this is Otohime speaking...
Really? Tarou-sama?!
Yes, yes...
Then can I have you bring him to me?

Let's see... Ryuuguu Post #15 is close by...
Please take him there and wait for me.
Be on your way.
WHOA!! WHAT ARE YOU DOING, DUDE?! LET ME GO!! I DON'T SWING LIKE THAT, BRO!!
GYAAAAA!!! I DON'T LIKE MEAT!! I DON'T LIKE SWEATY MEAT EITHER!!
They've found Tarou-sama. Since that is the case, I'll take my leave.
Sorry for all the trouble.

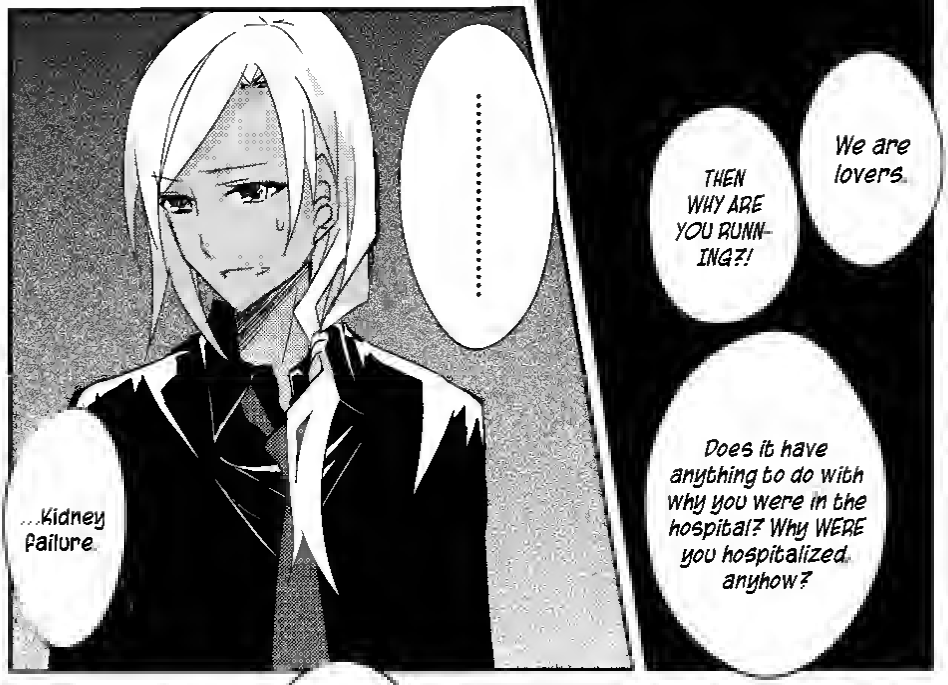
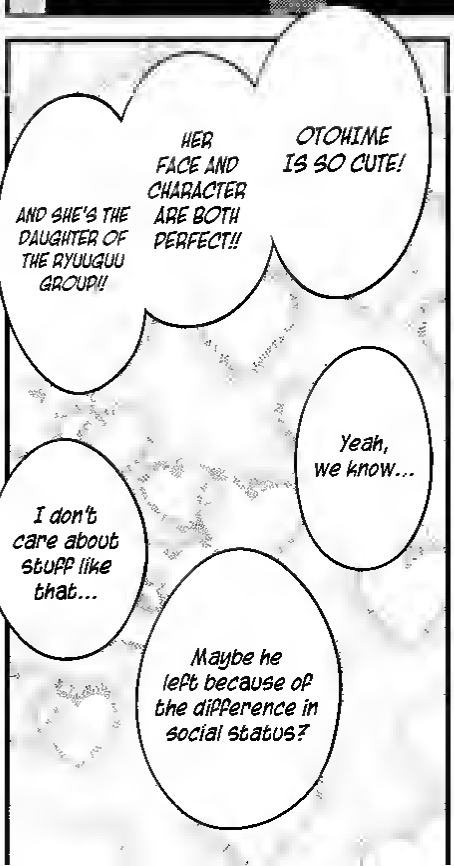
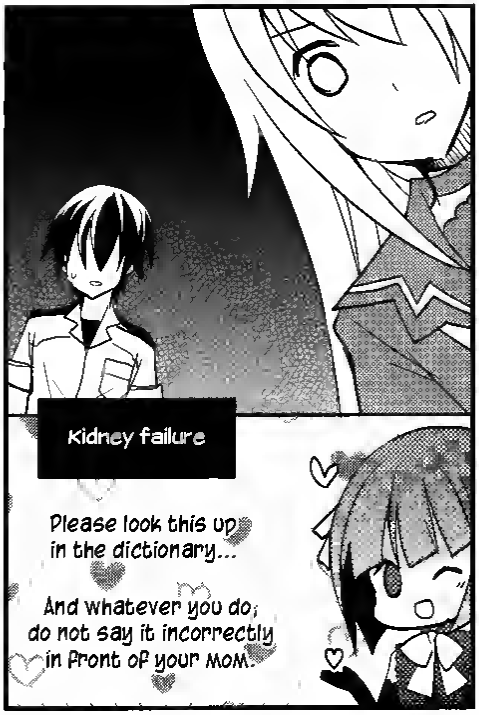
We have some ques- tions for you.



We are lovers.
THEN WHY ARE YOU RUNN-ING?!
Does it have anything to do with why you were in the hospital? Why WERE you hospitalized anyhow?
.....
...Kidney failure.



OTOHIME IS SO CUTE!
HER FACE AND CHARACTER ARE BOTH PERFECT!!
AND SHE'S THE DAUGHTER OF THE RYUUGUU GROUP!!
Yeah, we know...
I don't care about stuff like that...
Maybe he left because of the difference in social status?



Kidney failure
Please look this up in the dictionary...
And whatever you do, do not say it incorrectly in front of your mom.

Her mother took interest in me, and I basically ended up inheriting the entire business... So to speak.
She even gave me a free pass to Ryuuguu's Love Hotels. That's why I was so lost and confused.
Stupid monkey...
And then I had to go to the hospital.
Anyway, I had to stay at the hospital for legitimate reasons, but...
Himeko-san -- Otohime's mother left me in charge of the video tapes while Otohime was absent herself...
And that's when you took the chance to run away?
NO! I WASN'T RUNNING!!
I WAS-

Tarou-sama...
I... I can hold myself back no longer...
You two! Are you just going to stand there and watch, or are you going to save me?!
NO! Wait, uh... Let's just...calm down a sec, Otohime!
Oh?
I came as fast as I could when I'd heard Tarou-chan had been caught, but...

It seems I'm interrupting something...
Himeko-san?!
NO! YOU'RE DOING NO SUCH THING!
Not at all...
Especially if you plan on rescuing me from this crazy girl!
I do apologize...
But I will always side with my cute little daughter.
Let's see...
I'll be back in 2 hours. That should be enough time before we continue our little conversation.
I DO NOT LIKE THE WAY YOU PICKED THE AMOUNT OF TIME FOR THIS!!

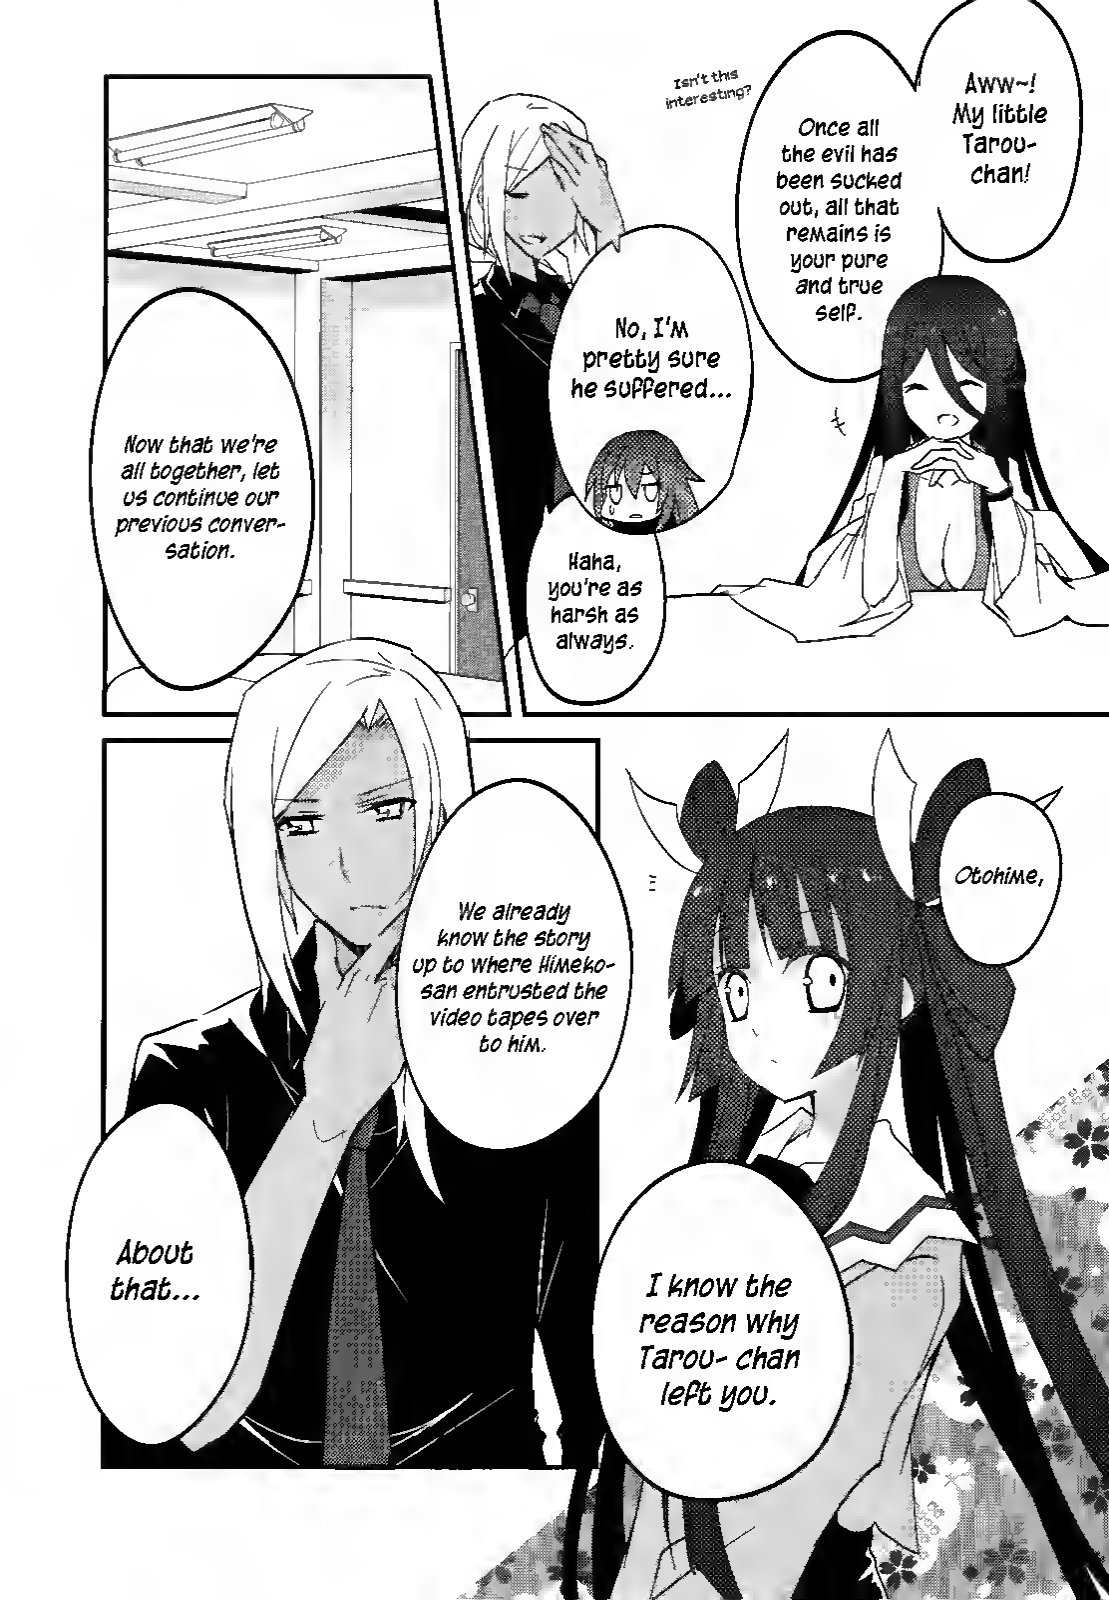
*TL/N Ryouko is referencing a Japanese folk tale, titled Urashima Tarou
Urashima... *You look like your treasure chest has been opened.
Haha..
So much stuff has been taken out of me



Aww~! My little Tarou-chan!
Once all the evil has been sucked out, all that remains is your pure and true self.
Isn't this interesting?
No, I'm pretty sure he suffered...
Haha, you're as harsh as always.
Now that we're all together, let us continue our previous conversation.
Otohime,
I know the reason why Tarou- chan left you.
We already know the story up to where Himeko-san entrusted the video tapes over to him.
About that...

I really must thank you...
Let's watch it!
I wanted him to dub it for me.
I brought it with me!
Here we go-
BEEP
This is very sudden, but I'm afraid I am going to die rather soon.
Since that is the case, I will be leaving you this here message...
I AM OTOHIME'S FATHER - RYUUGUU TATSUO!!

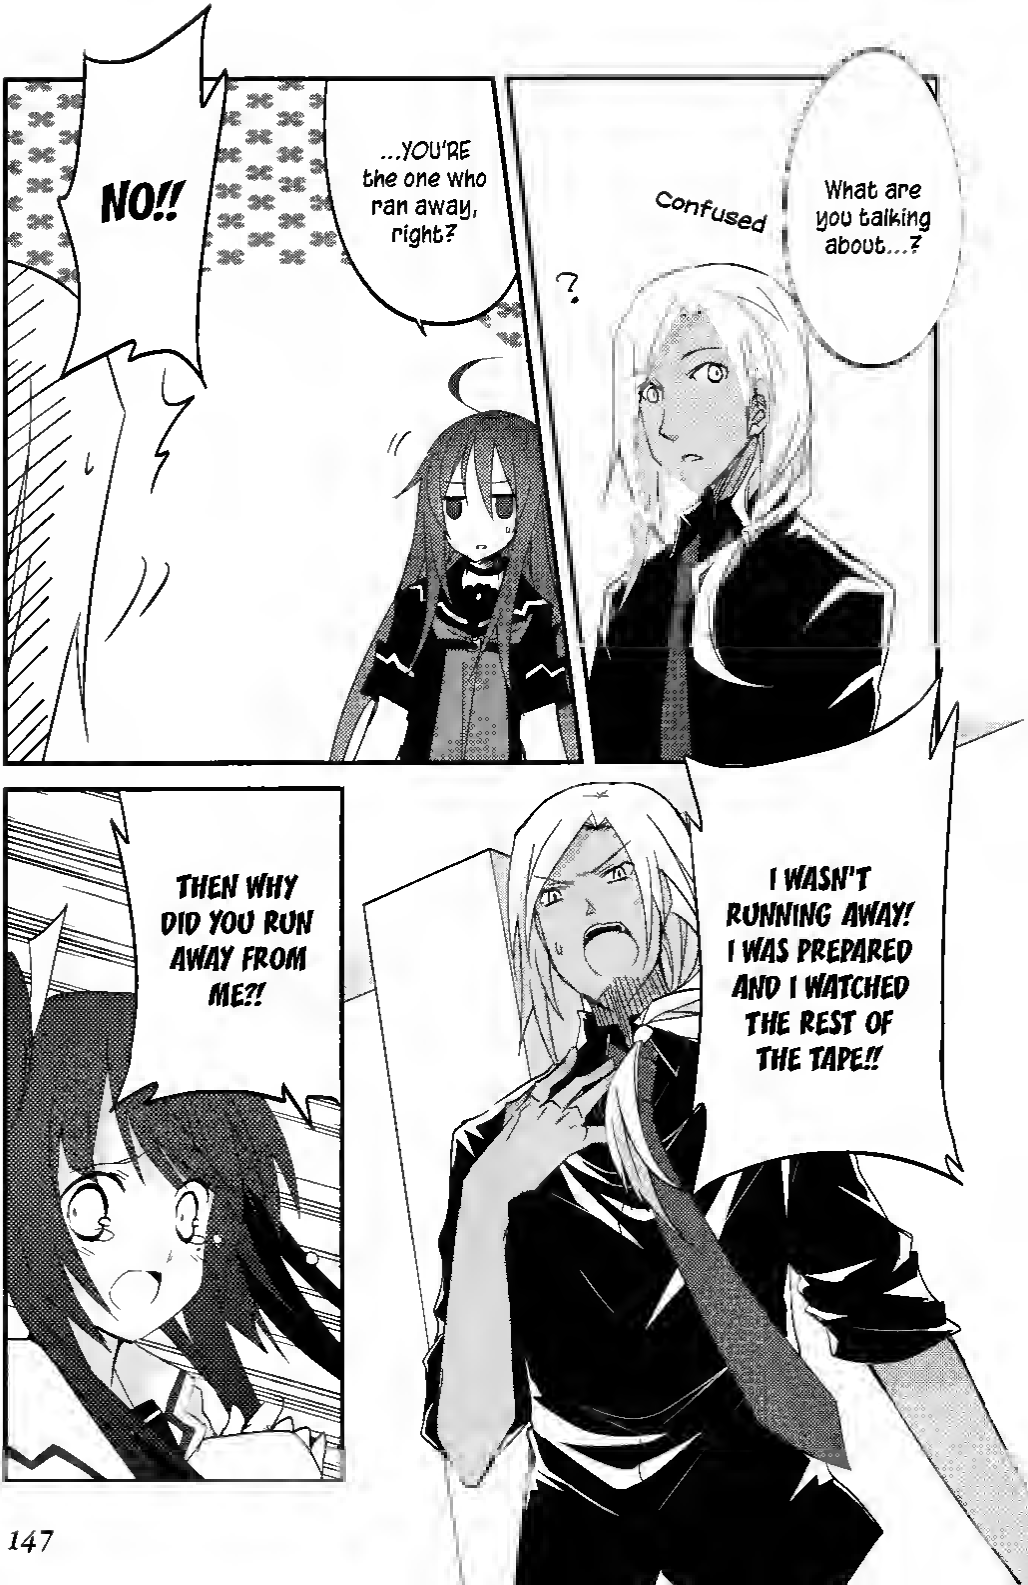
In life, I have no regrets.
However, if I die, I would have but ONE, and that is; being forced to leave my lovely family behind.
If you are seeing this, Himeko...
I entrust you to find a good husband for our daughter.
The women of Ryuuguu value their chastity.
They devote themselves entirely to the men who choose them.
That is why I shall now tell you the traits required of the proper husband.
They must also bear the face of a prostitute that is more than willing to touch their skin to a man's.
It is not one or the other.
Ryuuguu women are the embodiment of both grace and beauty.

This is what I've come to understand during my time with Himeko...
All Ryuuguu women are lonely...
However, Ryuuguu women have one fatal flaw...
The difference in flesh.
That is why they yearn for the warmth of a man's embrace.
Allow me to speak frankly...
Uh... Ryuuguu women are all truly amazing...
Well... Even you would know just from experiencing how good their *BLEEP* is...

A-Anyway... I have a great capacity for learning, so I remember a lot of things.
These things involve love and devotion, and I just can't bear it any longer.
.....
.....
Either way, Ryuugou women are lonely and seek companionship.
And feminine modesty requires that they mustn't hop from one man to the next.
In short, any man lucky enough to be chosen by a Ryuugou woman must be taken in completely.
And if they don't...

If you love a Ryuugou woman, you must devote yourself to them.
All men who've married a Ryuugou woman have died because of revenge.
Well, I don't have to tell you what happens if they don't...
If you're watching this, then it means I have already fallen...
Oh, honey...
If you do not want to marry Otohime, then stop this tape and leave her forever...
If you are to run away, do so quickly. And be kind to Otohime.
A man who has halfhearted feelings toward a Ryuugou woman is not good enough for her!

カチッ
CLICK
If you are ready, then let's continue...
I guess I have no choice...
In order to spare Tarou-sama's feelings, I must lock away Mine forever.
I won't follow after you any more...
ぎゅっ



NO!!
...YOU'RE the one who ran away, right?
Confused
?
What are you talking about...?
I WASN'T RUNNING AWAY! I WAS PREPARED AND I WATCHED THE REST OF THE TAPE!!
THEN WHY DID YOU RUN AWAY FROM ME?!

Shall we watch the rest of the video?
Click
... If you've made it this far, then it means you have the guts to marry my daughter...
I thank you with all my heart...
I shall now refer to you as my son...
My son...
If you are to marry her, you must first hone yourself. Become someone truly worthy of her.
You need not but ONE thing in your thoughts at all times...

PREEMPTIVE STRIKE!!!
DO IT BEFORE IT GETS DONE!!
オラっ
SLIP
Ryuugou women aren't satisfied with your average moves.
You must hone your skills in a battlefield of rigor!
And come up with brand new techniques of your own!

We have collected many moves throughout generations...
We even risked the lives of our women for this knowledge.
Now I shall teach you the fruits of our labor.
Morino rakUing
Are you ready?! HERE WE GO!!
We call it... RYUUGUU SEX TECHNIQUES!!

PFFFFFFT!
Hello there.
I am the Ryuuguu woman of this generation.
How do I look? Haven't I kept my body well? I'm still technically young, but nowhere near as young as I was when this video was taken.
Now we're going to experiment with my body in many ways~!

Now, first off-

I HAVE VERY FEW MEMORIES OF FATHER, AND NOW THAT YOU'VE SHOWN ME THIS, ALL OF THEM ARE GONE!!
So you watched the entire thing?
nod
Yes.
かぁぁぁ
BLUSH
I saw it all...
And I had decided to make all of those moves MINE!
HOWEVER!
I needed practice, but couldn't practice, because practicing with Otohime would defeat the purpose of practicing before marrying Otohime!
Well... Makes sense to me...
Otohime became the person we see today, because of me...

Her confidence and perseverance is so great.
Diet, Fashion, Makeup, conversation skills, ballet and Japanese dancing...
And to top it all off, Himeko-san got her coaches for everything.
And they all had one thing in common...
And that was?
Himeko-san...
ギ!!
Every coach she had, was handpicked from Ryuuguu's affiliated women!
ぽわわん
STARE

Well, she was so quiet and reserved! And then, out of nowhere, she said she wanted to be all pretty and learn how to love!!
I just did all that a mother could do!
YOU DID TOO MUCH!!
Thanks to you, Otohime became the ultimate masterpiece of womanhood!
Also, my kidney thing!
Eh?
That is why I left on a warrior's path of training...
IT WAS IN ORDER TO BE WITH OTOHIME, AND TO PRESERVE THE BLOOD, SWEAT, AND OTHER BODILY FLUIDS OF PREVIOUS RYUUGUU MEN!!
So
Ta...
うる
Tarou-sama...

You are truly disgusting. To us, all you are is just someone trying to justify cheating.
No matter how you try and dice it, you really just went out on a giant flirting spree all over Japan.
Oh~! So is that why you danced with Tai-chan and Hirame-chan?
I HAVEN'T MEMORIZED ALL OF THE TECHNIQUES YET!! THE FUTURE CAN WAIT!! I WANT TO FOOL AROUND SOME MORE!!
EXACTLY! I haven't flirte-
WAIT, NO! WHAT AM I SAYING!?
...So the reason you're still running away is because you haven't flirted enough?

How did you know...?
How would I NOT know when you pooled around with our own girls?
Fufu
WAAH!
THAT'S HOW YOU FOUND ME!?
...Pathetic.
YES!!
I'm really, REALLY happy!
Tarou-sama!
Hey, Otohime-san, are you happy that Urashima is back in your life?

Ufufufu~
No, wait, uh... It doesn't make any sense to test something with you that's supposed to be used against you...
Tarou-chan! Good luck~!
I'll give you a power booster!
I will let you experiment on me as much as you want.
And then we can keep the Ryuuguu tradition alive, together.
